

Job description

Job Overview:

We are seeking a skilled and compassionate Internal Medicine Physician to join our medical team. As an Internal Medicine Physician, you will provide comprehensive medical care to adult patients, focusing on the prevention, diagnosis, and treatment of various illnesses and diseases. This is a full-time position with competitive compensation and benefits.

Responsibilities:

- Conduct thorough patient assessments, including medical history review, physical examinations, and diagnostic tests
- Diagnose and treat acute and chronic illnesses, injuries, and infections
- Develop personalized treatment plans for patients based on their medical conditions
- Prescribe medications and monitor their effectiveness
- Maintain accurate and up-to-date medical records for all patients
- Collaborate with other healthcare professionals to ensure comprehensive patient care
- Stay updated on the latest advancements in internal medicine

Requirements:

- Medical degree from an accredited school of medicine
- Board certification in Internal Medicine
- Valid medical license to practice in the state
- Proven experience as an Internal Medicine Physician
- Excellent clinical skills and knowledge of internal medicine practices
- Strong communication and interpersonal skills
- Ability to work effectively in a fast-paced environment
- Proficiency in using electronic medical record systems
- Ability to triage patients effectively based on their medical needs

We offer competitive compensation packages including salary, benefits, malpractice insurance coverage,, and more. Join our team of dedicated healthcare professionals and make a difference in the lives of our patients.
