

## Job description

### Job Overview:

We are seeking a skilled and compassionate Primary Care Physician to join our healthcare team. As a Primary Care Physician, you will be responsible for providing comprehensive medical care to patients of all ages. This position offers the opportunity to make a positive impact on the health and well-being of individuals and communities. Practice is under new Management and we are working on expanding our services

### Duties:

- Conduct thorough medical evaluations, including physical examinations and medical histories
- Diagnose and treat a wide range of acute and chronic illnesses
- Develop personalized treatment plans for patients, including medication management and lifestyle recommendations
- Order and interpret diagnostic tests, such as laboratory work and imaging studies
- Provide preventive care services, including vaccinations and health screenings
- Collaborate with other healthcare professionals to coordinate patient care
- Maintain accurate and up-to-date medical records

### Qualifications:

- Medical degree from an accredited school of medicine
- Board certification in Family Medicine or Internal Medicine
- Valid state medical license
- Excellent communication skills, both verbal and written
- Strong problem-solving abilities and attention to detail
- Ability to work effectively in a fast-paced environment

We offer competitive compensation packages, including salary commensurate with experience. Additionally, we provide comprehensive benefits such as health insurance, paid time off, and bonus opportunities
